

Our Kalyan Connection

Mehta Group has a longstanding commitment to enhancing lifestyles through the creation of exceptional landmark projects. With over 90 buildings in the Kalyan area, including 40 in Yogidham and 14 in Amrut Dham, we have a solid track record of quality construction.

Kalyan is a prime choice for individuals seeking investment opportunities due to significant upcoming government development plans.

Our Kalyan journey began with our first project, Akash Ganga, delivered in 1988, and ever since, we have continued to craft iconic projects that define our legacy.
